The Richard Carrier Exists Tour: Stop 2, Salt Lake C

(/web/20160707070203/http://freethoughtblogs.com/carrier/archives/10180)

## The Richard Carrier Exists Tour: Stop 4, Omaha!

I'll be announcing the events along the Richard Carrier Exists Tour as they are finalized. Second is Omaha, Nebraska. That's my fourth stop on the move across country. And that's Friday night, May 27. Come verify my historicity! Pictures & signatures welcome.

Sponsored by the Omaha Coalition of Reason

(/web/20160707070203/http://unitedcor.org/coalition-of-reason/omaha/), I'll be speaking on Science as Philosophy in Ancient Rome. In which I'll talk about "how ancient science evolved from Western philosophy, and set the foundations for modern science, whose remaining connections with philosophy remain nearly the same. What did they accomplish back then? And what has changed?"

Starts at 7:30pm at the University of Nebraska at Omaha, CPACS Building, Room 101 (6001 Dodge Street in Omaha). The CPAC Building is located immediately southeast of the iconic UNO clock tower.

I'll also be doing Q&A and selling and signing books after.

Tickets \$5 in advance, \$8 at the door.
